MAGAS

Future of Business

ABOUT US

MAGAS was founded in India in 2010 as a tertiary services company. Over the years it has developed into a professional services destination for crowd sourcing and delivery of professional services in India and the Arabian Gulf countries. MAGAS connects with small & medium size enterprises, professionals, entrepreneurs & freelancers across various geographies and industries which can fulfill their business needs with cost effective solutions arising from *shared economy* and *idle resource capacity*. It delivers services at an affordable price to empower Entrepreneurs, Startups, SME's and so on.

OUR MISSION

is to support businesses when they need support. We provide handholding support until businesses stand on their own. We believe small ideas can make a big difference if they get the right support at the right time. We create an ecosystem to help businesses sustain and benefit through us.

WHY MAGAS?

- Find the best in the industry professionals, experts or service providers under one roof.
- Collective experience of thousands of man hours in specialized fields.
- Hire on project basis without need to recruit.
- Tap into our network and benefit from our other specialized services.
- Wide variety of payment solutions to free your cash flow and PAY AS YOU GO.

SERVICE VERTICALS

ADVISORY

If you can envision, we can do it. Bring us your idea and we will work with you to create a business model. We will turn your dream into reality because we too walked the same path as you.

CORPORATE SERVICES

We help you make your existing business better. Our expert team can help you improve your bottom line and that's our promise. We guide you at every step and provide a new dimension. But of course, you got to believe for us to believe in yourself. We do it always on time and budget.

CAPITAL

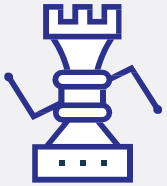

We believe in a world of limitless opportunities. Therefore we hear your ideas and work with them till they grow. That's the same care we give when we develop with you. After all it's human nature to care for everything that's good, whether your money or ours, it's the same attitude.

TECHNOLOGY

We develop technologies that makes life easy. We have built platforms that help you navigate your world with ease. If you need to make your life easy then we are at your service.

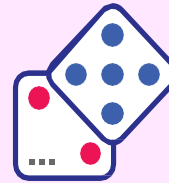

UNIQUE SELLING PROPOSITION (USP)

HOW WE DO IT?
